

## ROAD NOTICE UPDATES FOR THE WEEK OF JANUARY 30<sup>TH</sup>

### MUNICIPAL DRIVE

Lane restrictions will occur along Municipal Drive near the construction site across from the Police Department on Wednesday from 7 a.m. to 4 p.m., with a total closure from 10 a.m. to 2 p.m. Access to all locations on Municipal Drive will remain open.

### 131<sup>ST</sup> STREET

Periodic lane restrictions will occur at the intersection of 131<sup>st</sup> Street and Cumberland Road as utility relocation work is completed.

### 116<sup>TH</sup> STREET

The outer lane of westbound 116<sup>th</sup> Street and Hague Road will be restricted, as well as the right turn lane on Hague Road, on Monday and Tuesday as AT&T completes work.

### MORGAN DRIVE

Morgan Drive will be closed between Lantern Road and Emmanuel Court for work on stormwater structures.

### 106<sup>TH</sup> STREET

Crews will be landscaping the center of the roundabout at 106<sup>th</sup> Street and Geist Road throughout the week, weather permitting. Temporary lane restrictions may be in place as work is completed.

In an effort to locate utilities at the intersection of 106<sup>th</sup> Street and Allisonville Road, the westbound lane of 106<sup>th</sup> Street (just east of Allisonville Road) will be closed on Thursday, February 1<sup>st</sup>, and will remain closed until all utilities are located. Traffic heading westbound on 106<sup>th</sup> Street will be forced to turn north.

### I-69

As part of a \$92 million design-build contract, Milestone has added a third lane in each direction to the median, repaired and resurfaced existing pavement, and rehabilitated bridges and drainage structures on 15 miles of I-69 in Hamilton and Madison counties. Construction of an additional auxiliary lane between the 116<sup>th</sup> Street entrance ramp to I-69 South and the I-69 South Exit 204 ramp to 106<sup>th</sup> Street will continue through next spring.

I-69 South will be temporarily reduced to two lanes to allow space for the State Road 37 and 116<sup>th</sup> Street entrance ramps to safely merge while construction continues on the southbound auxiliary lane between the 116<sup>th</sup> Street and 106<sup>th</sup> Street ramps. Questions about this project should be directed to INDOT at [eastcentralin@indot.in.gov](mailto:eastcentralin@indot.in.gov) or 1-855-463-6848.

### STATE ROAD 37

The [Meeting Presentation](#) from the December State Road 37 Project Public Meeting, along with additional information about the project, is available at [www.driveSR37.com](http://www.driveSR37.com). The State Road 37 improvement project is a \$124 million joint project between Fishers, Hamilton County, Noblesville, and INDOT. Questions or concerns may be directed to [drivefishers@fishers.in.us](mailto:drivefishers@fishers.in.us).

**While this list encompasses numerous project updates, it does not list all DPW projects throughout the city. The most recent projects are detailed, however please keep in mind that all construction activities are weather permitting. We appreciate motorists' patience and caution while driving through construction sites.**
